

Blowing in the wind

How many roads must a man walk down
before you can call him a man.

And how many seas must a white dove sail,
before she can sleep in the sand.

And how many times must the cannonballs fly,
before they are forever banned?

The answer my friend

is blowing in the wind

The answer is blowing in the wind.

How many times must a man look up
before he can see the sky.

And how many ears must one man have
before he can hear people cry.

And how many deaths will it takes till he knows
that too many people have died?

How many years can a mountain exist
before it is washed to the sea.

And how many years can some people exist
before they're allowed to be free.

And how many times can a man turn his head
pretending he just doesn't see?
