

Strangest Dream

Last night I had the strangest dream,
I'd ever dreamed before.
I dreamed the world had all agreed
to put an end to war.
I dreamed I saw a mighty room,
the room was full of men
And the papers they were signing said:
we'll never fight again.

And when the papers was all signed,
and a million copies made
They all joined hands and bowed their heads
and grateful prayers were prayed.
And the people in the streets below
were dancing round and round
And swords and guns and uniforms
were scattered to the ground.
